May 3rd 1864

Sir

I have the honor to make an application for transfer from the field to post or hospital duty in Richmond.
The 2nd Florida Reg. to which I am at present attached is very much reduced in point of numbers having at this time only 6 or 8 months & longer than at any time since last May. The Reg. has an assistant Surgeon present & consequently my duties are very light or comparatively nothing. This Brigade, consisting of 6 Reg.ts have by an order from Gen. Lee, been consolidated & together number present but little over one thousand
I have been a Surgeon in the field since October 1861 & have seen a great deal of Surgery & disease as they occur here & would desire a change on account of the advantages, professionally which a hospital would afford in secondary Surgery & disease. In view of consolidation of the Regiments & believing that I could better serve the interests of the government I respectfully ask that the transfer be granted.

Very Respectfully
Your Obt Servt

In reference to the communication of Capt. Chas. H. White Co. H 46th N.Y. Regt. as to why his company have not been paid clothing and pay. You Obt. and Rec'd 1863. I have the honor to make the following statement.

The estimate for the pay and clothing of the 46th N.Y. Regiment was made by me while acting Brigade Qr Master, and forwarded on to Maj. De Londe Qr. Mr. in Charleston for the payment of the troops of this Department (Nov 14th 63)

Maj H. C. Watkins District Qr. Mr. has not as yet furnished me with the amt of the estimate. When I saw him last (the 1st of January) that he thought he would get the money by the 5th Inst. I have not seen or heard from him since, though I have written him on the subject.

Having a number of Vouchers in hand I have (through courtesy) paid the officers when they applied though they are included in the estimate for the payment of troops for Nov & Dec 1863. and with them should draw their pay.

I have made requisitions for clothing on Major Watkins for the entire Regt of the Regiment as estimated by the Paymaster, and he informs me that clothing cannot be had.

Sir

In compliance with Special Order No 208 of Oct 28th 1863, I beg leave to submit the following report.

I have examined the ground between this camp and Kantuckee Station, and find on Mr. Barker's Plantation distant about four miles from the present camp of the Brigade, (on the right of the Charleston & Savannah R. R.) a position which in my opinion is much healthier than the one now occupy.

There are on the place fifteen buildings with chimneys, nine buildings without chimneys, and a chapel that will hold one company, the ground is situated high, wood and water convenient, there being two wells on the place.

Should the Genl desire to change his Hd. Qrs. there is a very pleasant location one half mile above Mr Barkers on the same side of the road.

In compliance with the indorsement on my report of Feby 1st inst. and in obedience to Sp. Order No 25 issued Jany 26th 1864, I have the honor to submit the following statement. I was collecting all the horses I could find that were captured from the enemy at Simstalls, with directions to my Wagon Master to report whenever he brought one to the Wagon Yard, as he is not with me now, I have only the statement of two of the teamsters who say there were four horses taken to the White House, by order of the General,

I saw Maj. Watkins shortly after the horses were taken from me and I called his attention to the fact, that there were captured horses at or near the White House. I learn from different parties that there were (13) thirteen horses in all captured at Simstalls, and that Capt Armistead came into possession of some of them, how many & by whose order I cannot say, In the absence of the man who was my Wagon Master at the time, I am unable to make a full report in regard to the four horses that were taken from me at New Kent C. H. The four horses I had at New Kent C.H. the two I collected from different persons in New Kent, and the three retained in the Regiment, are the only horses, I ever saw that were captured from the enemy at Simstalls - I presume Capt Armistead must have accounted to Maj. Watkins for the horses he got, as they were to replace horses in his Battery that

Sir. I write you a few lines at the present time in a strange, but I trust not unfriendly manner. Col. Jas. Bates a friend of yours in Arkansas, that I have presumed upon my acquaintance with him.

(2) I recommended that the present Convention, which established the Southern Confederacy, will also, in all probability entertain the idea of raising a standing army. In such a case it would be useless to make this, through you, my petition for a Commission. I believe I am fully fitted for the position. I am a Graduate of West Point, the class of 1852 and of liberal education. I resigned from the regular army for private family reasons, but would now like to get back into it, under the present auspices. (3) My private character, I cheerfully refer to my father-in-law Jas. H. Hays Col. Jas Bates, Col. Hol. Grill, and Gov Excelsior Gov. Pickens. I would be truly thankful for your efforts in this matter.

Respectfully
Capt. U.S. Thomas

We take pleasure in recommending R. B. Thomas for a Brigadier Generalcy in the Army of the Confederate States: Mr Thomas's qualifications and experience entitle him to a rank even higher than the one we ask for him. He will do the Country service.

Gov. J. Morton,

Herewith you will find a letter to me from Mr. R. B. Thomas which will explain itself. I have been personally acquainted with him for some years. He graduated at West Point & was in the U. S. Army at Tampa when he married the daughter of a friend of mine. His health becoming bad he resigned & removed with her. He is a native of Kentucky & feels an interest in him, and his wife is the daughter of a veteran friend. His military education will no doubt make him useful at the present crisis. If your views of the public good will permit you to further his views you will confer a favor on me & doing to. I should like very much to see him a Capt in the Southern Army.

Yours very truly

D. S. Walker.

I have taken the liberty, upon the slight acquaintance formed with you here, to call a few lines at your hands.

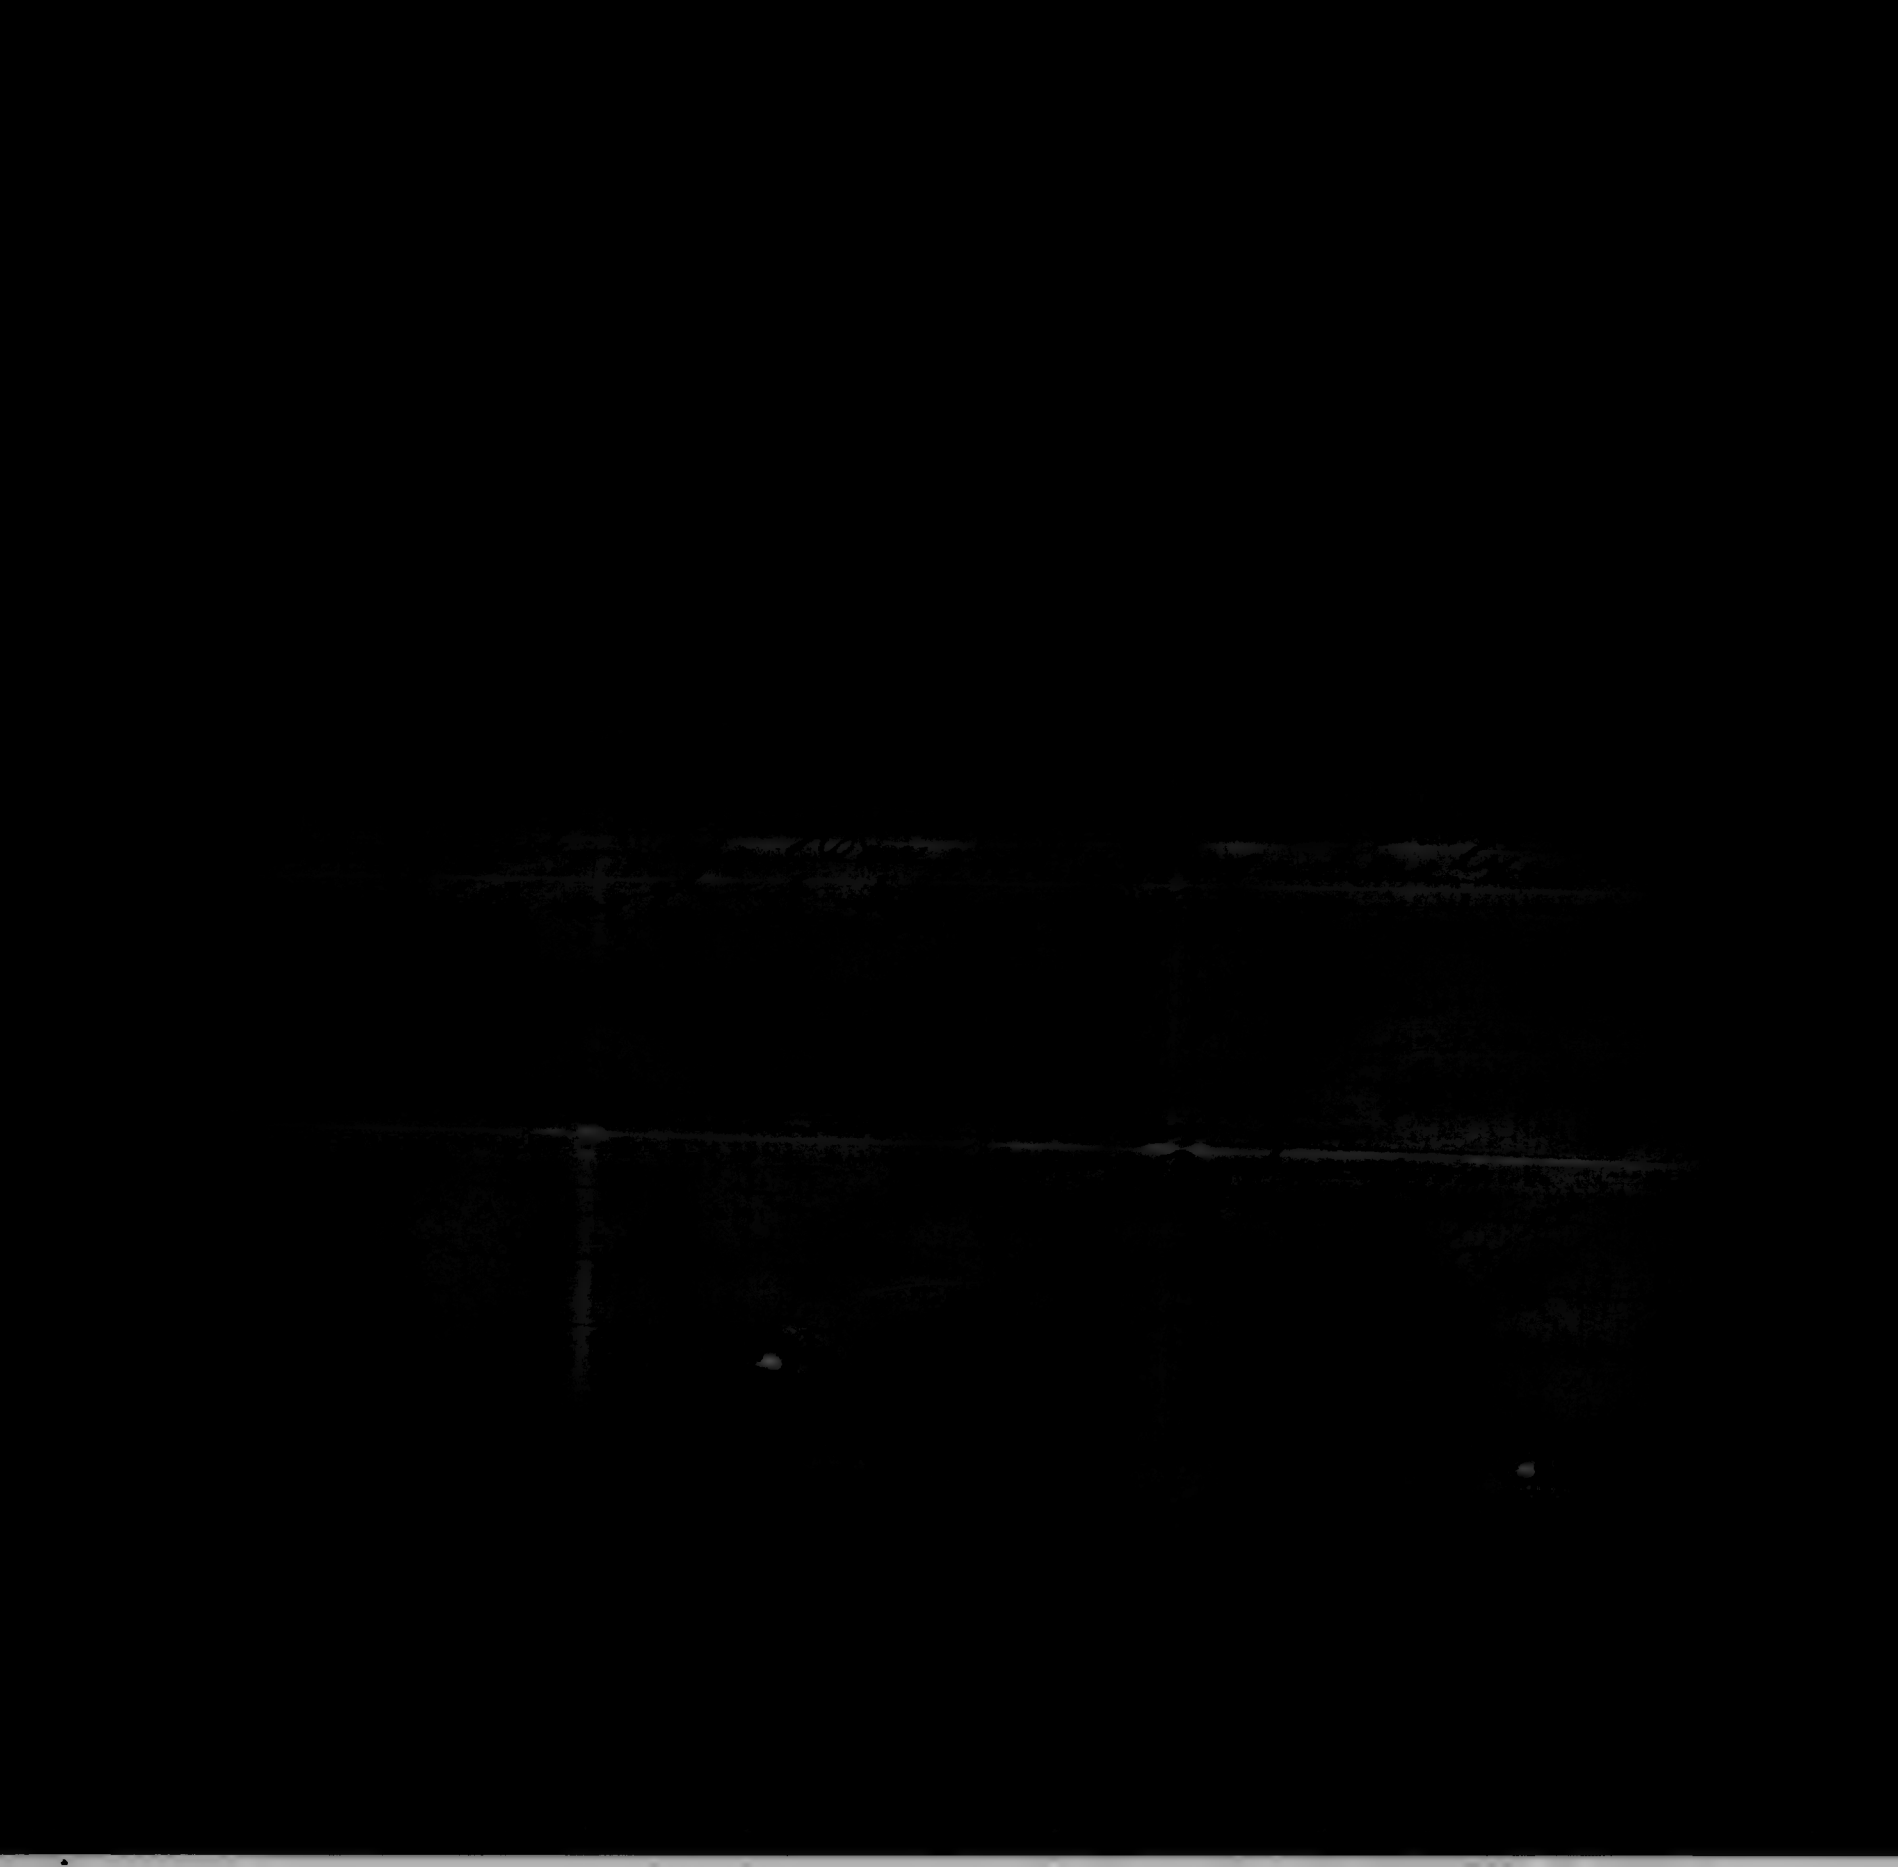

I am an applicant for a Commission in the Army of the South. I do intend by the present Congress and with the power of your influence, I have every hope in succeeding. I have had a Military education, (a graduate of West Point 1852) and left the Army for family reasons. I am a true Southerner and would gladly do her (the south) service in her army. If you will not be at Montgomery, I would be thankful if you would write to some individual of influence in Congress & present my claim to them. I know my presence there would be a great advantage but during the absence of my father-in-law Jas McKay. I am unable

WAR DEPARTMENT,

Richmond, May 1861.

In compliance with your order, I submit the following report in the case of Robert B. Thomas, of Ga, who applies for a Commission in the Army of the Confederate States, "not below Captain."

It appears, from the Army Register, that he graduated at West Point, and was appointed Brevet Second Lieutenant of the Second Artillery, on the 1st July 1852. He soon resigned, and returned to private life.

He is recommended by five persons. By one in grade terms only, and by another for the rank of Captain. The other three, to whom he refers in his letter of application, recommend him for a "First-Lieutenancy". Except Lee

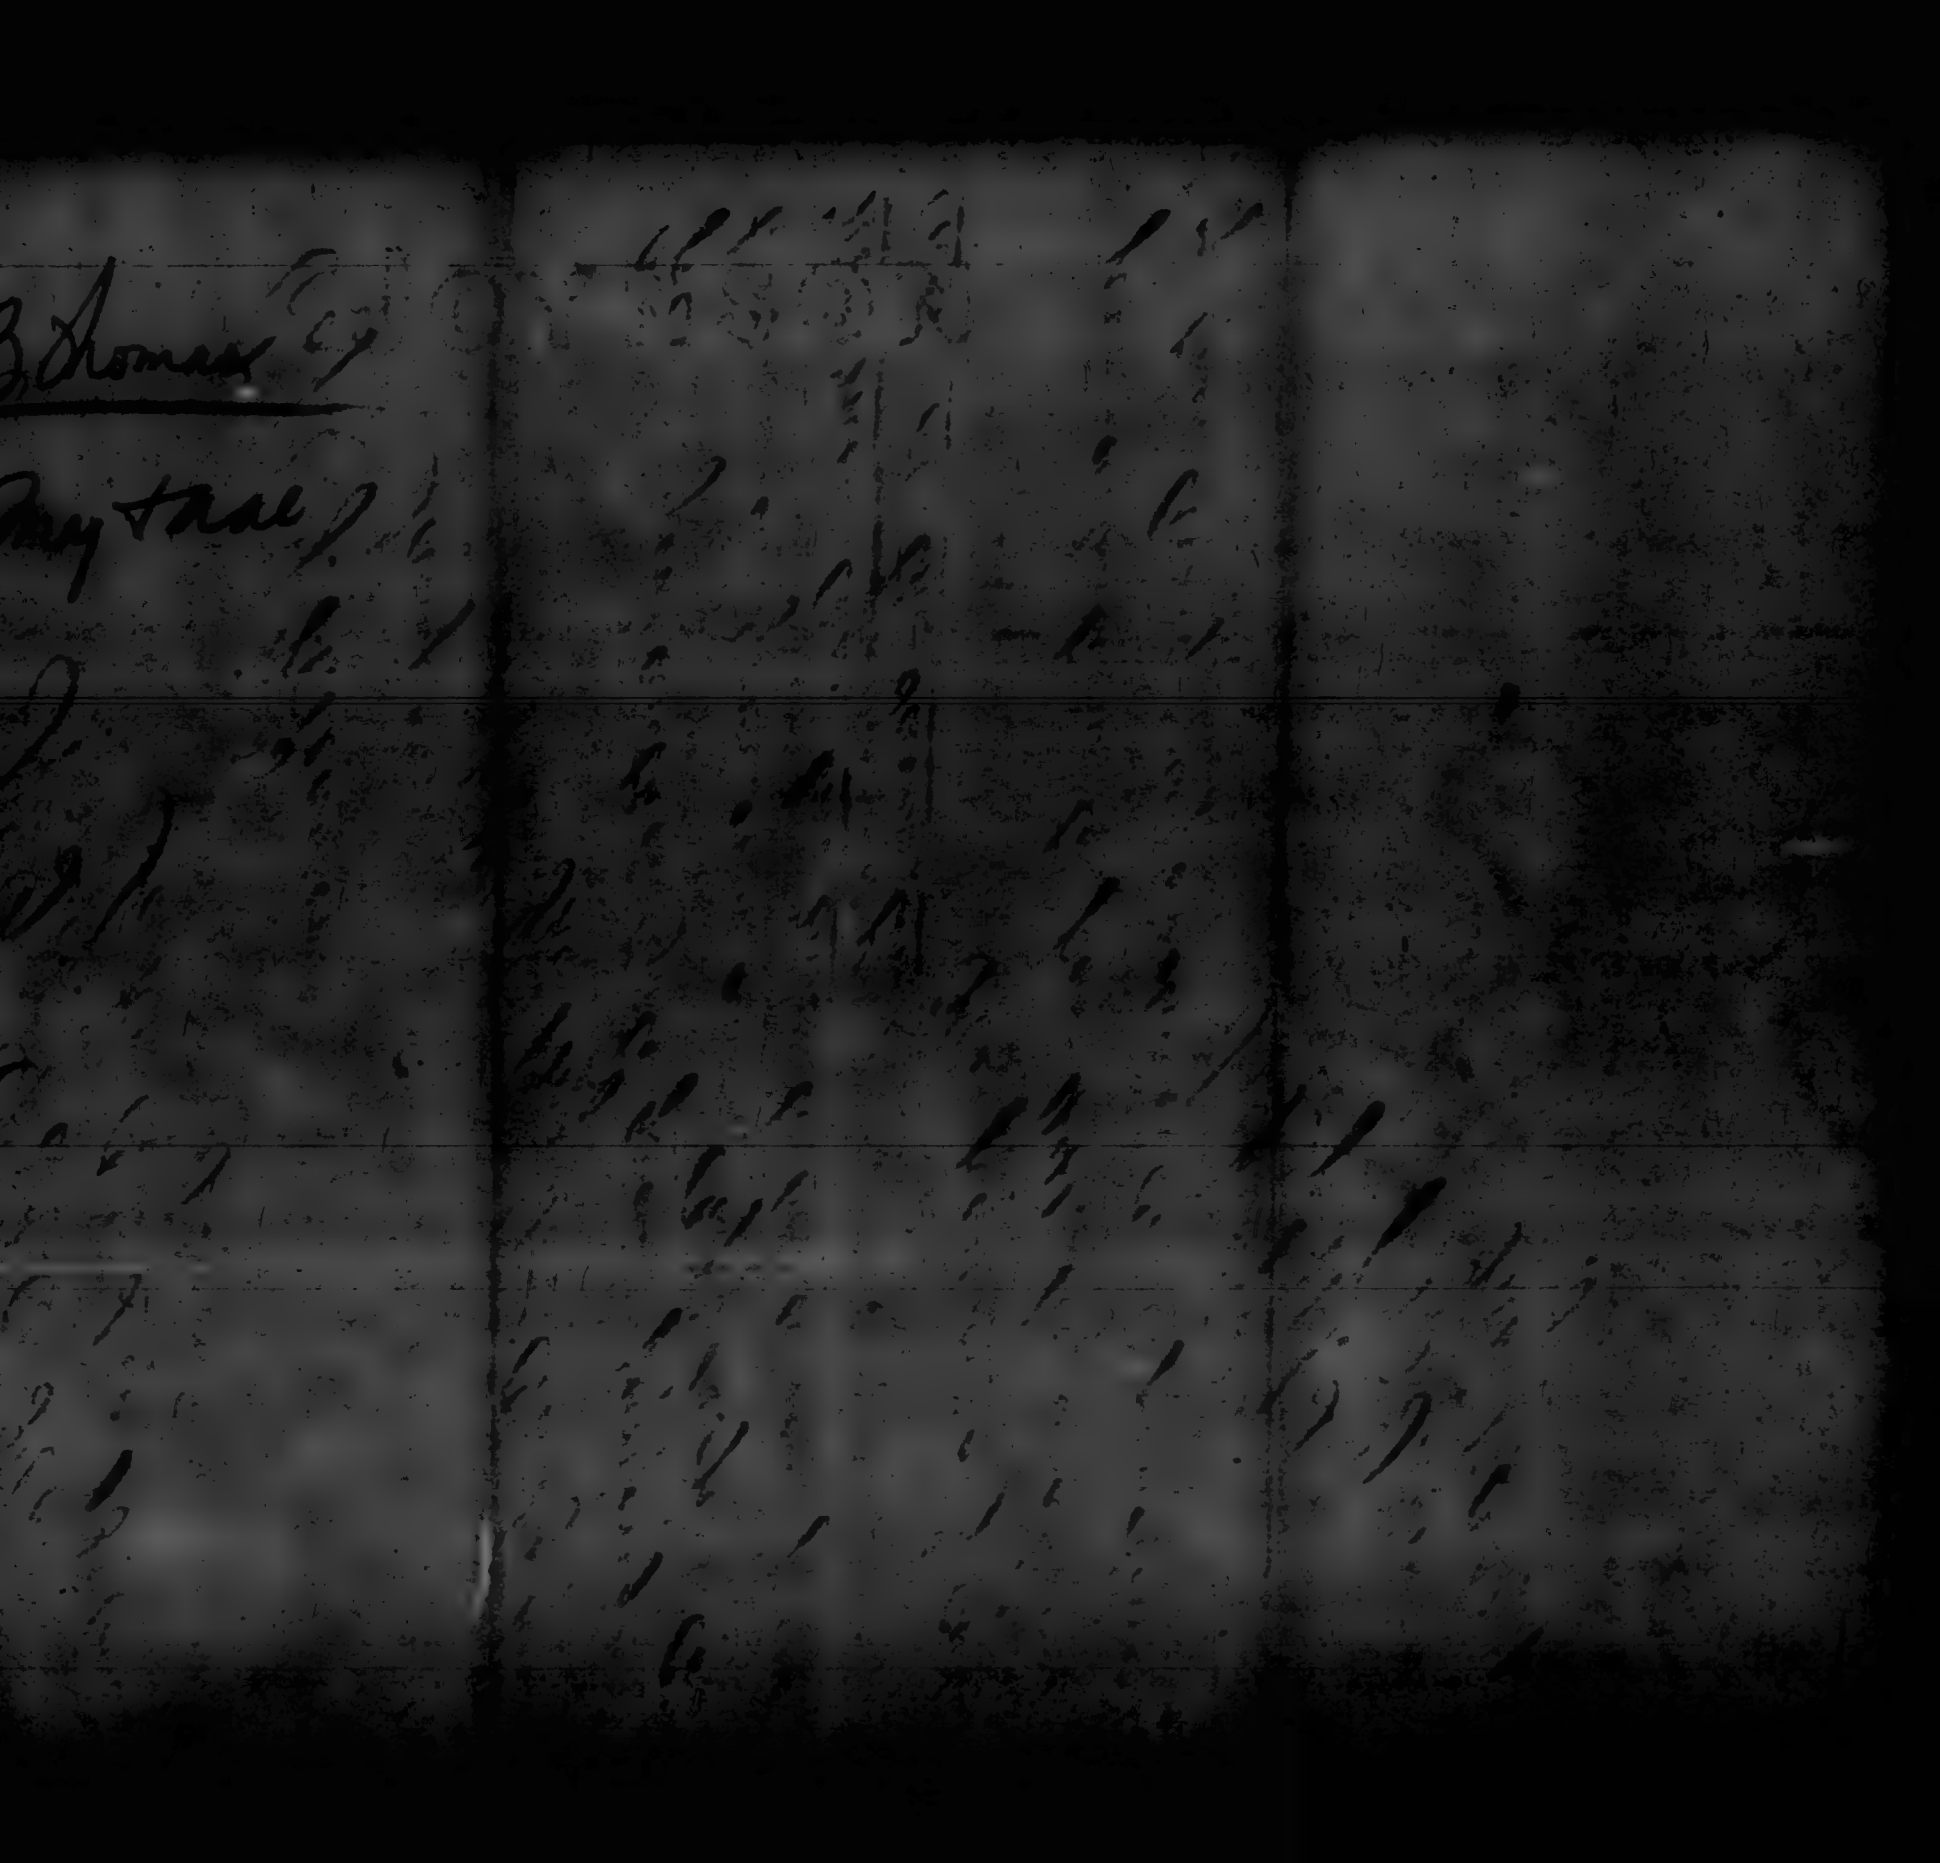

appointment for a Captaincy.

The above is the substance of his recommendations, which are very brief, except that one of his testimonials represents him as a high-born gentleman and excellent officer.

Major

The Brigadier General Commanding directs me to say in reply to your communications, that at present he will not be able to furnish you any more guns, owing to the water communication between Cedar Keys and Tampa being cut off, and the impossibility of transporting them by land. He authorises you to hire or purchase two more teams, for the necessary transportation at your post.

If Captain Turner with his company is willing to serve as Infantry, dismount him and attach him to your Command. If unwilling to be dismounted, disband his company.

The Paymaster is at present without funds. As soon as

he receives them, your command shall be paid. The General also authorises you to muster into the Confederate service, Captain Sutherman's company | of the War, as a company of Mounted Artillery. Where mustered in employ them either as a "Coast Guard" or in any other service you may deem most advantageous.

In reference to the Fort, I have spoken to his Excellency the Governor who has promised to issue an order forthwith, turning it over to your Commissary.

The General Commanding is under the painful necessity of declining Mrs Fuller's request.

She must not be permitted to leave.

In conclusion allow me to inform you that the Brigadier General reposes the utmost confidence in your ability, energy, judgement and discretion, and feels satisfied that you will employ the limited means at your disposal, to the greatest advantage.

It is said the Indians inquire very particularly about Gen & believing that you possess their confidence to a great degree I have authorized the Q.M. to supply Gen with a boat & Crew to go to the nearest point possible for communicating with them and ascertain if possible their feelings & intentions with reference to the Whites in the State That the enemy have tampered with them & held out inducements to them to join them against us there is little doubt I wish therefore that you by your influence would endeavor to keep them still if there is a disposition to war Gen There will be a Messenger sent to his Excellency the Governor to make some arrangement for a trading depot for them & occupy no more time than is absolutely necessary Respectfully R B Thomas Maj CSA

A & I. Genl C. S. Army
Richmond

General.

I have the honor respectfully to ask to be permitted to submit the following statement to the War Dept. On being relieved as Colonel, and ordered to duty at this post as 1st Lieut. I addressed a letter to the Hon Secty. of the Army, asking if he would be pleased to let me know the cause of my reduction, if he could ascertain by inquiry.

His reply is just at hand, and in it seems the following. "Your letter of 14th is at hand. I lost no time in making the necessary inquiry, and find that as you vacated the office, to fill which you was made a Colonel, you of course fell back to your original rank as 1st Lieut. &c.

I presumed the inquiry was made at the War Dept. and I now therefore, and then have spent 2 years more in my case, and in support of this assumed valid state, that in Feby '62 I was appointed to the "temporary rank of Major, serving with Vols." upon the recommendation of Gen Chalfin, and assigned to the Command of Camp at Tybee Island; subsequently most of the troops were withdrawn from that post, and I was detailed for staff duty by Gen Foster, and then in command. Sometime after Gen Foster was strongly recommended for the Command of the 2d Fla. Regt which he was then endeavoring to organize. The War Secty of War however, decided not to form that Regiment at that time - and instead of the Command for which I was recommended, I was Commissioned with "temporary rank of Colonel, serving with Vols. under a law of 1861." I was kept on staff duty, in the same Dept as before (Ga) and was only A.A.G. during the temporary absence of Capt. Cobb, on other duty. The fact of his being ordered back to

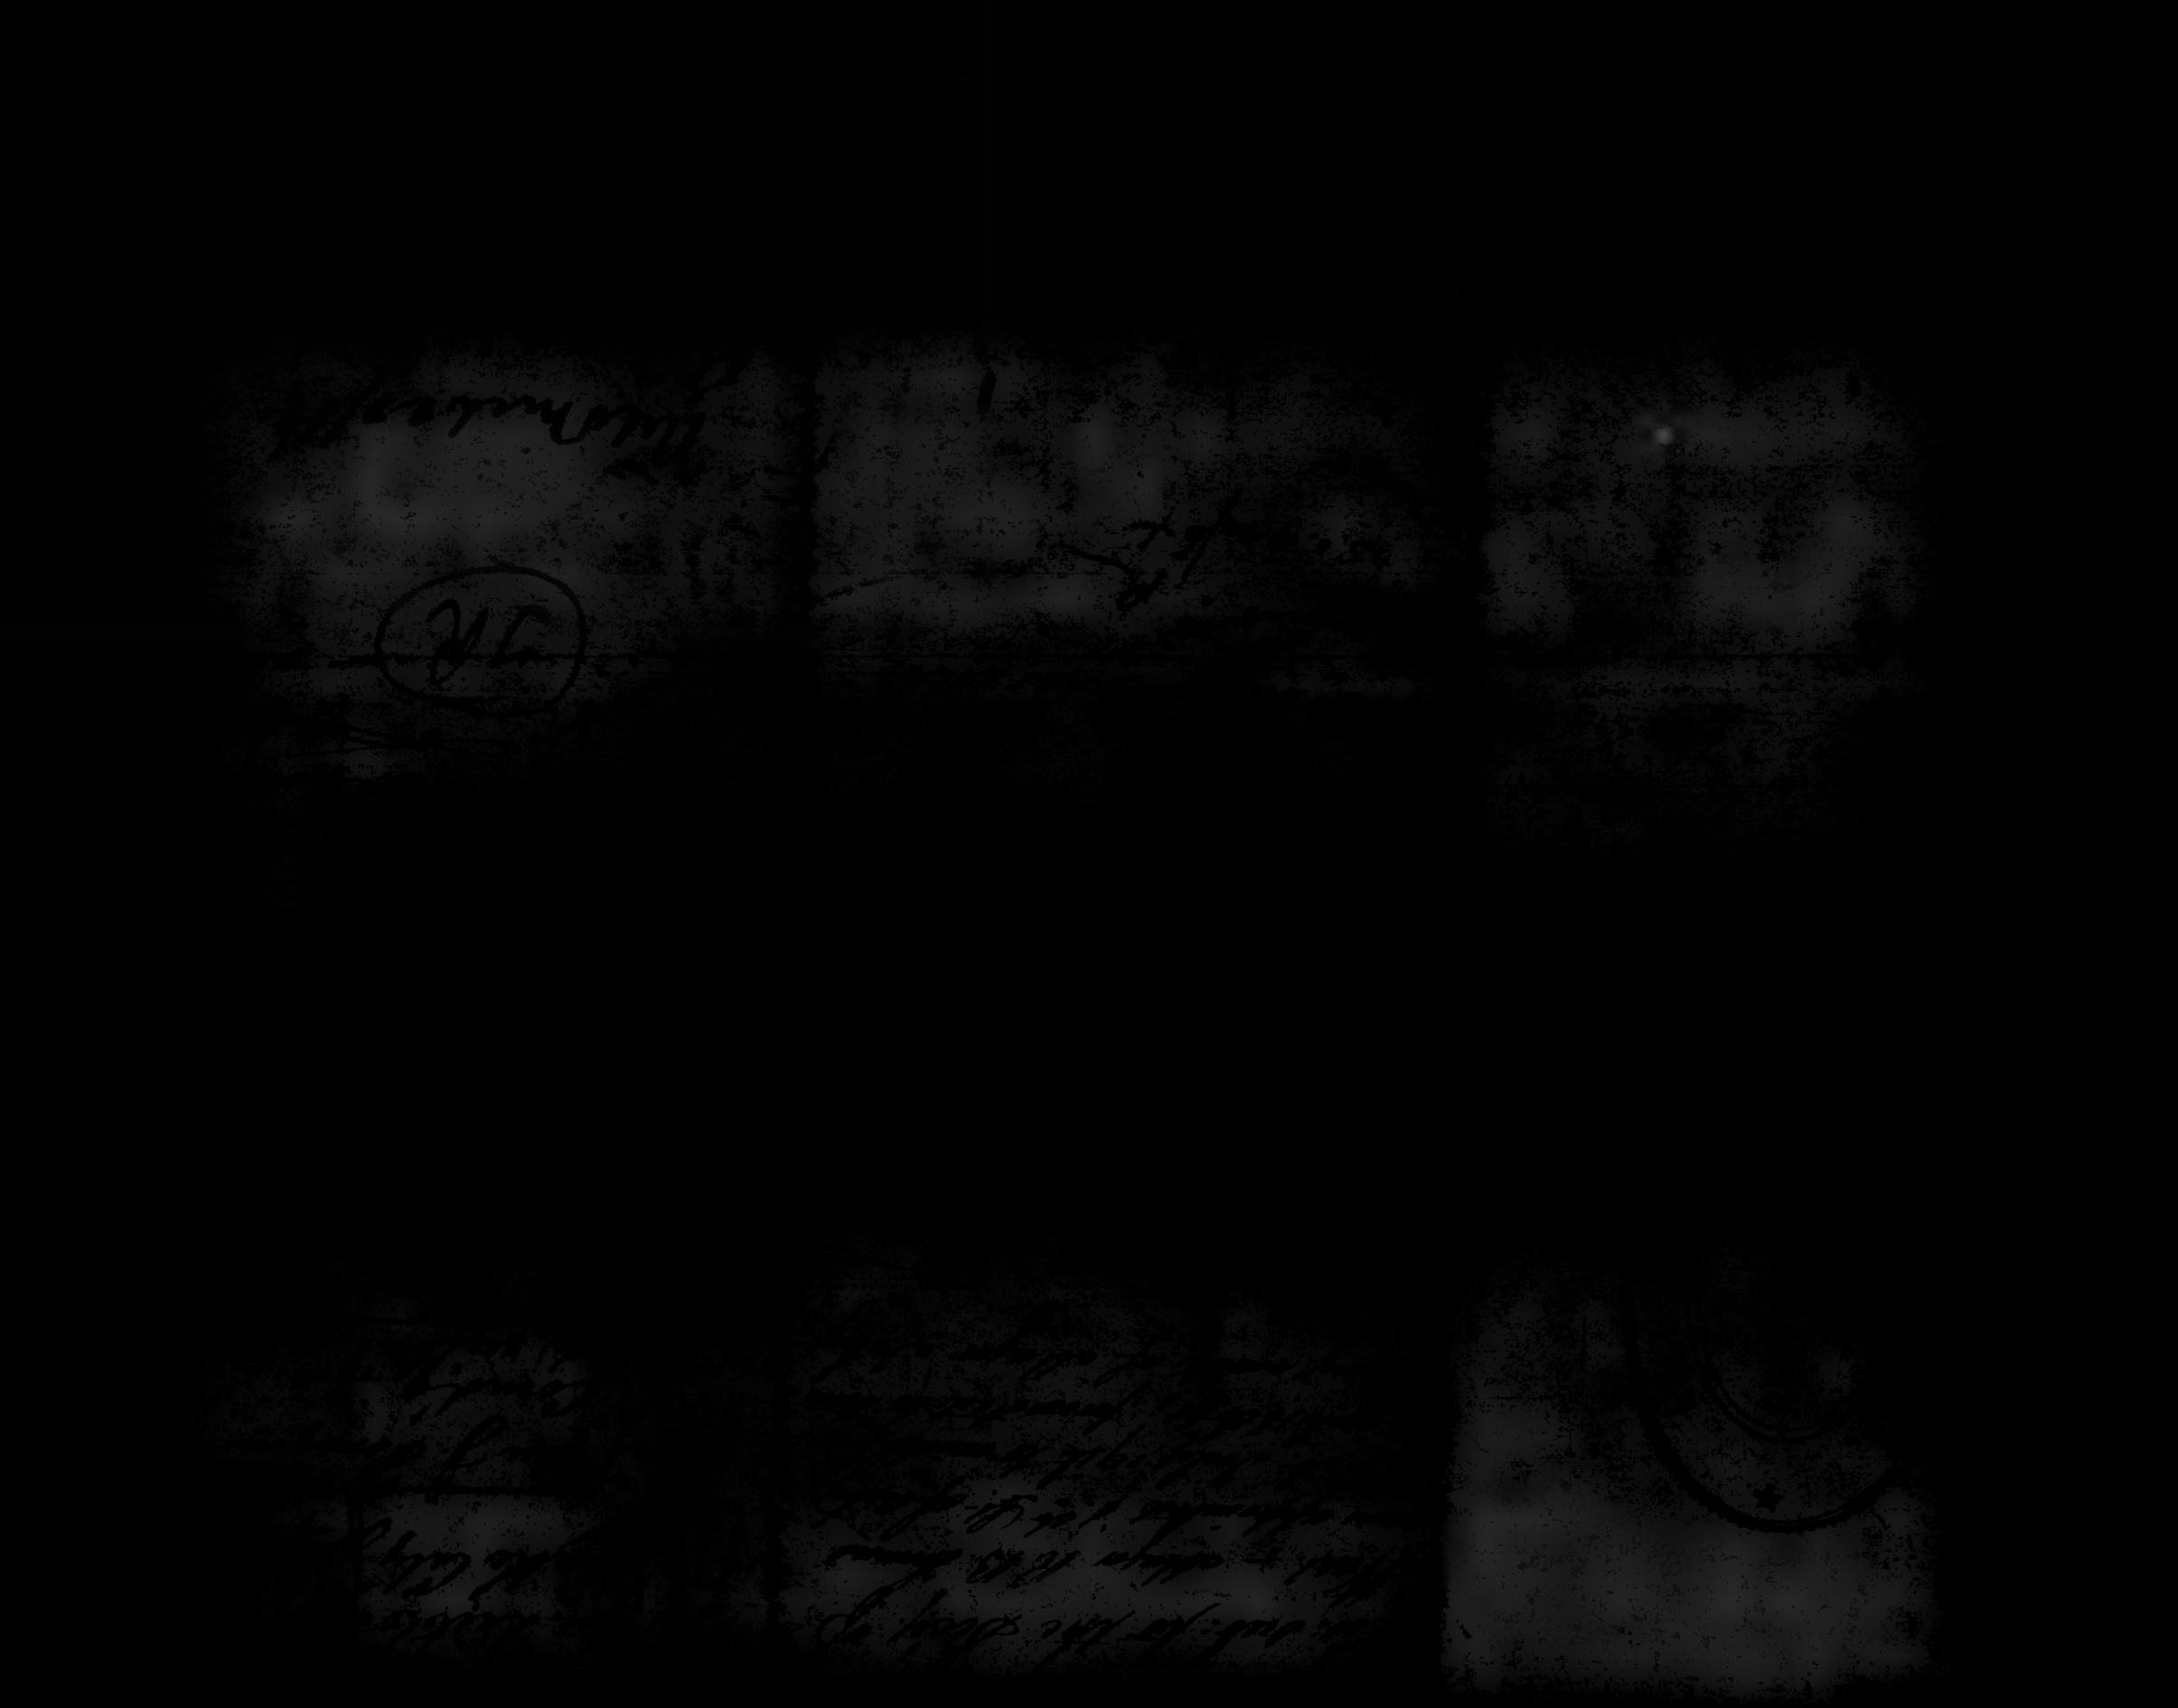

Florida. When the Brigade went to Virginia, left me the only available officer to perform the duty, until his successor arrived. This delay was however so great, that I concluded that I was not to be returned and hence made application for that result. I did not, for a moment, consider that I would be compromising any part by so doing. My reasons were, 1st that I thought my rank too much for the position, 2nd that there would be greater chances for promotion, in a field like that of Virginia, outside of a Staff Dept. and 3rd My greatest reason was of a private nature, not to be named here. Capt Call was not ordered to accompany the Brigade when it left Tallahassee and was only ordered by Gen J.P. Anderson at Gen. Finegan's request after I told him that under G.O. No 44 of 1864 I thought I would be taken from the Brig.

General, I am forced to make this statement, as the matter is of the very utmost importance to me, although, necessarily, not so to the Dept. and I would not be just to myself now I not to attempt, in all honorable ways, to remove any error or misunderstanding, that might Exist in the way of my restoration

I know of no charge or complaint that has been made against me, that Could have caused the result. If I have been "recommended for discharge" by any General Comdg an Army &c. under G.O. No 22. of '64 I am Entirely ignorant of the fact.

I would respectfully ask that this statement be carefully considered, and that it be regarded as an application for reinstatement, if the Dept. Can with propriety so act.

Respectfully
Yr. Obt. Svt.

I do not want the Commissary General

Colonel.

Owing to the difficulty of procuring transportation to this side of the River I thought it advisable to leave all of my duplicate papers and records of my official business in the Office of Capt. Foster Campbell A.C.S. at Knoxville. Tenn. They were boxed up and left in his charge. I fear they may have been lost in the evacuation of Knoxville by our troops.

I am informed by Major S.B. Brewer A.A.G. in a letter dated Oct 13th 1863. that many errors and exceptions are found in my returns then on file in your office. In view of the fact that my duplicates are not accessible I would respectfully request that such of the papers as require corrections and explanation be sent me by Mr J.C. Whittaker who goes to Richmond as a special messenger for Lt Gen E.K. Smith. I send my receipt for the list of papers referred to. If the decision of the office will not permit my withdrawal of the papers please do me the favor to let Mr Whittaker

I have the honor to communicate through you to the War Dept. the following circumstances in the year 1862. date & month & day forgotten. I was recommended to the War Dept for the appointment of 1st Lt & Drill Master. Afterward, on the 4th day of August 1862 I received from Capt. S M Drake Comdg Camp of Instruction near Tyler. the appt of Quarter Master for said Camp. And received instructions to report to Tyler Texas. a Copy of which is enclosed herewith?

Also on the eleventh day of Aug 1862 I rec'd from Col Jno S Ford Supt Conscripts State of Texas. the enclosed orders No 21. which recognized the appt of myself by Capt Drake with the rank of Capt. I gave the required bond. and have been acting in the capacity of Capt Q M. Since that date. It was not supposed that I would have taken upon myself the great responsibility

of the Quarter Masters Dept. where I had the same vault and pay without it. And it was almost impossible to get any one to take the position, and give the bond & the time. I ask therefore that there be forwarded to me an appointment as Asst. Q. Borden's Battalion left on the morning of the 9th inst. the 1st detachment, and the balance followed on the morning of the 11th inst. to take up the positions at the different crossings of Sabine River — the 1st detachment was composed of the Companies of Phillips' Battalion which had been detached to join Borden's Bat.n & consequently the parade which was ordered for Sunday morning did not take place —

Capt Borden agreed with me to have a courier (see copy of same endorsed) at Longview, one at Marshall, one at Henderson, one at San Augustine, one at Hemphill & near them so as to send me regularly once a week the news, and at other times if circumstances require it — He will throw out pickets beyond the line of the Sabine as far as practicable

The Enemy have been ingloriously driven back towards Natchitoches, but in my opinion this only increases the necessity for the utmost vigilance, along the lower part of his (their) line of operations, and have so advised him.

If you will observe, the Loss of an Enemy
lodged at Natchitoches entirely covers that
Country from Sabine town South. And a
Raid would not be impracticable with his
base as far back as Alexandria over the
same Country. Therefore although the Enemy
has been forced back I do not consider
that our Stores are safe, by any means.

Gen'l C. L. Stevenson

Dear Sir

Acting

In accordance with your order issued to me at Murfreesborough on the 2nd Inst. I ordered the detachment of the 26th Miss Regt to Rendezvous at this place. Up to this date I have had 100 names reported for duty and 20 or 30 Certificates from Surgeons of Sickness. So far as I can ascertain there are 250 or more of the Regt who have escaped & a majority of them are in Hospitals when they escaped and are not yet unfit for duty. We are in camps and receiving rations the men are coming in daily. The above facts were reported by Capt Brewster several days since.

Col Posey of this County is forming a Regt at this place under a Commission from the War Department. Our Regt was also from this County, and the men are unanimously in favor of reorganizing and joining that Regt. And I think that if we can get the privilege of doing so it will enable me to get them sooner into active Service.

Have we the genuine privilege of electing officers? Capt W. Thompson elected Lieut Col of my Regt

I have still to report the slow accumulation of supplies at this point Caused from want of transportation I have visited in person, all that portion of this (Marshall) County, not included within ten miles square, from Depot and am only able to procure four (4) wagons & teams, that portion included in the boundaries above mentioned embraces the wealthiest portion of this County, they only have to haul 10 miles & deliver 500 bushels Corn - when they should be able to supply this depot with considerable transportation. In Wharton County I find the large planters under exemption from Cotton Planters. thereby furnishing no transportation. I have sent to Brazoria with instructions to the Contractors of Brazoria Fort Bend & Austin the 4 Corporations to furnish the full & just Quotas, I will do

In Compliance with instructions embraced in G.O. 356 I have to report that tomorrow morning I send forward five (5) negroes that have just come in to day — I am also with intrenching tools, that I have been able to gather myself — I would further remark that all the negroes from this immediate section have gone to the fortifications except those belonging on Plantations, where sawing is being done for Government purposes — I would beg leave to state, further, that that portion of this (Matagorda) County, in which two thirds of the negroes, are owned, (Ten Miles from around Rockport) are exempt to work on Roads — when to my own knowledge, the force owned in that Section, and extensively, engaged on Roads, is sufficient to, Repair, or Build, the Roads required in Ten days — and I dare say that the work has been done — and

still they claim the exhibition, as still doing work. But if said work has not been completed I know of no reason why. I will report to you if other reasons come in

PENSION PAPERS.

Head Qrs 1st Brigade Cavalry
Near Hanover Junction May 30th 63

Sir

I respectfully ask
leave of absence for thirty days for the purpose
of visiting my home in the State of West Virginia
I was wounded in the 3d Virginia Regiment
Cavalry Brigade in the engagement of the
9th inst. from that place I was removed to
Washington City and was afterwards placed upon
the invalid list by the Medical Examining
Board convened for this purpose. I failed
to get my papers through in time to
receive the usual furlough
for the 15th inst. and also the approval
of my papers by the Medical Department.
I have made several applications to be
relieved for a short time & unable to be absent
to this day. I have hitherto failed and as long
as I am unable for duty I would
like it to be granted to me. I shall then be able

Colonel

Allow me to recommend to your favorable consideration the claims of Capt B. L. Thompson A. A. G. M. for promotion

He has been serving with me as Brigade D. M. for the last month, and I have found him the very best Officer of his Department with whom I have had dealings since the war broke out, and the Equal of any I have ever known.

From all with whom he has served, I receive the highest testimonials of his efficiency and intelligity. I need scarcely call your attention to the inconvenience arising from his acting as Brigade D. M. when brought in contact with Regimental D. M.s of older date

He has been and is now acting as Ch D. M. of the Division of three (3) Brigades which I command, and has shown himself fully competent to discharge the unusually difficult duties, which have devolved upon him.

I am Colonel very respectfully

Major

I have the honor to report, that my detectives, at Owego in Broome Bridge, have this day arrested a man as he was about crossing into Canada; who says his name is C. Percival Thompson, that he resides in Baltimore, that his brother Henry A. Thompson resides there; that he has been in the Rebel Army since the War commenced until the surrender of General Lee when he was paroled and shows his parole in the words following

"Appomattox Court House Va. April 10th 1865

"The bearer Lieut C.P. Thompson Ordnance Officer, Genl McGowans
"Brigade, Wilcox's Division, 3d Corps A.N.V. of Baltimore City,
"a Paroled Prisoner of the Army of Northern Virginia,
"has permission to go to his home and there remain
"undisturbed. (Signed) E. M. Wilcox
Maj Genl"

Which has several stamps of different offices upon its face and is endorsed on the back

"Countersigned to include one horse Sd Gen Wetharpe Asst P.M. Genl"
and "Office Pro. Mar. 3d A.C. Balto April 18th 1865
"Registered. (Sd) Edward Vaughan Capt & Asst P.M."

He also reports that immediately after he was paroled he went to his home in Baltimore at once

reported to Capt E. Vaughn A.A.Pro.mar. such report is endorsed on his pass. He further says he was advised in the Provost Marshal's Office there that he should leave the country as the 11th Genl had decidedd he could have no home in a loyal state and that consequently he left Baltimore on the evening of April 27th intending to go to Canada and arrived at Susquehanna Bridge just before he was arrested.

That before leaving Baltimore he applied at the office of the Provost Marshal for a pass allowing him to go to Canada and was there informed that no pass was necessary. That he held a Lieut's commission when he was paroled and had held it for two years. That arrested he, without limitation and the papers he had.

He is about 32 years of age, 5ft 7in high, hazel eyes, fair comp, dark brown hair cut rather short has a light brown moustache trimmed his beard shaved close. The detectives who arrested him thought that he had worn a heavy pair of whiskers which had been quite lately shaved off and that his hair had been lately cut and combed straight as also. He himself says he never wore whiskers except upon the upper lip and a goatee (or imperial) which was shaved off Apl 27th 1865. He has two letters of introduction signed M.A. Bascom one dated Baltimore April 26 and addressed to Mr Lucker Montreal Canada and the other dated April 25th and addressed to Mr Lindsay

Montreal Canada. What disposition shall I make of him?

Abingdon, Va.
April 28th 1864.

I certify, on honor, that the above account is just and correct, amounting to the sum of Two Hundred & ten dollars ($210.00); that it was absolutely necessary to furnish the Stationary named for the purpose of preparing my Property Returns and other reports for the First Quarter, the Ordnance Department having no Stationery on hand and no prospect of procuring any from the Ordnance Department without considerable delay. So far as I am informed and believe, the Stationery is of a fair quality, and the prices charged are the lowest at which it could be purchased in the City of Atlanta, Ga. where it was purchased. The Stationery has been received and is now in my possession.

In accordance with a request from C. L. Hinson (Actg Post Commissary to Capt. S. Adams, Cond. Sub; the undersigned were appointed by Captain Adams as a Board of Survey, to examine into the condition of a lot of Bacon.

We therefore report that upon a careful examination we found the said lot of Bacon, weighing Twenty (7000 lbs) Pounds was in our opinion to tally with Bills and that it cannot be disposed of at any price whatsoever; moreover it is our decided opinion that the said Bacon was worthless when received by C. D. Ellis, and that it was not through neglect on his part for the want of proper stowage.

PROCLAMATION.

EXECUTIVE OFFICE,
Jackson, November 21, 1861.

Whereas, the Legislature has, by an act approved this day, authorized and empowered me to receive and muster into the service of the State any number of volunteers, not exceeding 10,000, by companies or squads, or individuals offering themselves, with arms in their hands, to serve in defense of Columbus, Ky., or any other threatened position, for sixty days:

Now, therefore, by virtue of the power thus vested in me, I will receive any company, squad, or individual tendered to me, armed and equipped: double-barreled shotguns or hunting rifles will be considered efficient arms. It will be necessary for each volunteer to provide his clothing and blankets and cooking utensils of easy transportation, as provision of those articles cannot be made by the quartermaster of the State.

The places of rendezvous are Corinth and Grenada, where officers will be in readiness to receive and organize into companies, battalions or regiments such volunteers as present themselves. Transportation will be furnished from the depots nearest the place of assembling to the rendezvous for all companies, squads, or individuals.

The commanders of companies and squads are authorized to sign certificates showing the number of men and distance traveled by their respective commands, which certificates will be received as evidence of the indebtedness of the State.

All volunteers should provide themselves with three days' rations. Those who have efficient arms I hope will bring them with them; others, put them in the hands of some able-bodied, serviceable man who will bring them to the aid of the State. Volunteers requested to be at places of rendezvous by Monday next, or as soon thereafter as possible.

Generals [illegible] Davis and J. L. [illegible] will command the troops thus raised.

Hd Qrs 6th Ky Regt Lewis' Brigade
Dalton Ga Feby 19 64.

On the 26th January I addressed a communication to the A.A.G. recommending Lieut E. Lyden & Thompson for A.A.G.M. of my Regt. the 6th Ky Infantry, stating that about Feby 1862 E.D. Ricketts was commissioned for appointment but that he had failed to execute bonds. On this communication you endorse that "E.D. Ricketts was appointed about the 1st Nov last (1863) & that under Gen'l IV General Orders No 191 1863 he should be allowed a sufficient time to enable him to execute his bonds". I think there is beyond all doubt some mistake in this matter. The appointment of Ricketts as A.Q.M. 6th Ky. Regt. had been revoked, at late as June, Nov. last, & of this I am sure, to Regimental Head Quarters; but I think it very likely, that he has been appointed A.Q.M. in some other command as he informed me about the time (Dec) I ordered him to turn over the property in his hands, to Lieut Thompson, that he had an appointment as Q.M. Master in a Cavalry Regiment. I am

certificate in my opinion he was not
at that date appointed A. M. of the 8th Ky.
by the fact that no recommendation had
been given him by the Commanding officer
of the Regiment since about July 1st under
which recommendation he was thereafter appointed. Surely he was not of the
seconds have appointed, under the same
recommendation.

Again in October last Col Meyers in
answer to a letter from me stated that Ricketts
had been given no grade, which statement, I presume
he would not have made, if he had not
been appointed. I hope therefore that you
will re-examine your records, & write me the
result of your enquiry. Ricketts is now with
the Regt. & has not been since the last
I marked as pertaining to being my A. M.

I enclose copy of my communicating
& the endorsement thereon, including your letter
from which you will see that you do
not state of what command Ricketts was
appointed Quarter Master.

Natchez, Miss., La.

June 11, 1863.

Maj.-Genl Jackson,

Sir,—

I was wounded and Captured at the battle of "Shiloh," (Jan. 1862.) [illegible] and the service for some Months last, I would rather be doing something for the Government than to draw a pension And draw pay for time spent in convalescence from Shot.

I do not Propose to be acquainted with all the details of a Quartermaster's business, but with the aids that I could Command, And the Assistants that I would Certainly practice, I do assume that I Could be of service in that Department.

As soon as I Can walk without my Crutches I want to go on Staff in your own "Fortunate Brigade," of which I Am justly proud, and to which I Am truly devoted; but Meanwhile I Can be Content with such Service as a Cripple Can do; And I ask, therefore, that You Give me An appointment And Assign me to some Post — deferring my wants to your superior judgement, of Course.

Respecting my Character as a man And a soldier, And my business Qualifications, I refer you to Col. Jos. N. Lucas and Lt. Col. M. H. Eger, Of his regmt,

if I am not at all disposed to look with favor upon my request.

— I Am Afraid, General, that you will look upon me as a mercenary desire to be engaged in business with you if I should ever, as to the pecuniary advantages would not be an object. As a Gentleman, but I Am bold to say that there are other Motives Attributable to Me. Any side Motives.

If you deem this worthy of notice, a letter will reach me at Catoosa Springs, Ga.

I Am, General, Your Obt. Servt.
Ed. Porter Thompson.

Army of Tennessee July 21st 1864

To the Honorable Secretary of War.

Dear Sir.

When this commission came to hand I was sick, and by some means the papers were misplaced, and were not found until a few days ago, which has caused any delay in returning them. I am satisfied that my age and health is such, that I cannot perform the duties of Chaplain, or stand the exposure of camps. I therefore respectfully decline the appointment and return the commission to the War department. Fervently praying for the success of our cause. I am.
